Tempus Unlimited exists to provide a continuum of services that supports the efforts of children and adults with disabilities to live as an adult with disabilities as independently as possible in a less restrictive environment.

Through personal involvement, individual decision-making is a supported and encouraged to enhance the control of a person over his/her own life while fostering self-sufficiency.

The agency, through its program and services encourages the inclusion of people with disabilities into the mainstream of society including social, recreational, family and work activities.

**Job Exploration Counseling:**

This is defined as counseling, guidance and training. This is provided to youth ages 16 – 22 who are still in school with disabilities designed to assist them in identifying and learning about job opportunities in particular occupations and industry sectors.

**Examples of services provided under this component includes:**

- Interest testing
- Employer site visits
- Job shadowing
- Resume preparations

**Workplace Readiness Training:**

Workplace readiness training is provided to students with disabilities and is designed to assist them in preparing for employment through soft-skills training, job search training and other related training.

**Examples of services provided under this component include but are not limited to:**

- Learning about work behaviors
- Work based social skills
- Asking for and receiving training and supervision
- Issues related to disclosure in the workplace

**Work-Based Learning Experience/Internships:**

The Work-Based Learning experience is the center piece of Pre-ETS services. In this component, we will provide a work-based experience, such as an internship or an on-the-job training in cooperation with employer to high school students.

**Self-Advocacy/Mentoring Instruction:**

Services provided to students with disabilities to promote self-advocacy and leadership skills, including peer mentoring, to assist them in successful transition from school to post-secondary education, employment, and independent living. An example of this service would include an after-school program where students would meet with peer mentors for guidance and support.
